

## Make a donation

Butterwick Hospice Care relies heavily on the generosity of its supporters to enable the Hospice to provide services free of charge to patients young and old and their families and loved ones.

There are two ways in which to donate funds through this website. You can:

- make a one off donation by clicking on the Donate Now graphic on the right of this screen or
- become a Regular Giver by making a monthly donation to the Hospice by Direct Debit. You can do this by clicking on the graphic on the right that says 'Donate Online Now'. This is very easy to set up and secure. Please follow this link to our pages on the Charities Aid Foundation.

Butterwick is about people helping people, donating funds to the Hospice puts you at the heart of that philosophy. You may not know the people that you are helping through your generosity but you will know you cared enough to help. Thank you.

If you would like to make a donation with your credit/debit card please use the link on the right.

If you would like more information about how to make a donation to your local Butterwick Hospice can contact the fundraising departments on either 01642 628930 or 01388 603003 or email the [Fundraising Manager](#) for more details.
