How to Volunteer Your Time

Donating your time, knowledge or expertise to Butterwick is a valuable way to support the Hospice.

Some people like to make a commitment of a set number of hours each week, some people like to make a commitment to support a particular service. Others wish to improve their CV or to gain work experience.

What ever you can do we would be very happy to discuss the possibilities with you.

We have 570 volunteers working both within and in support of Butterwick Hospices. Many people have been volunteering for Butterwick for many years. Everyone comes to Butterwick for their own reasons and the majority stay because they feel welcome and know they are doing something very worthwhile.

If you would like more information click the link to our volunteering section on the right hand side of this page or you can contact our volunteering department co-ordinators at Stockton on 01642 607742 or Bishop Auckland on 01388 603003.
